VETERAN TRANSITION AND JOB SEARCH SITES (CONTINUED)

LINKEDIN FOR VETERANS - JOB SEEKER PREMIUM ACCOUNT INFORMATION

1. As part of our commitment to help veterans connect with available jobs across America, LinkedIn offers U.S. veterans a free one-year Job Seeker Premium account.
2. If you're a U.S. veteran interested in this offer, you can fill out the form on our [veteran's job seeker promotion page](#) to redeem it. You may be prompted to sign in and confirm the U.S. military experience on your profile.

TO ADD YOUR MILITARY EXPERIENCE TO YOUR PROFILE:

1. Move your cursor over **Profile** at the top of your LinkedIn homepage and select **Edit Profile**.
2. Scroll down to the Experience section and click **+Add position**.
3. In the **Company Name** field, start typing the branch of the service you were in and then select the appropriate choice from the list (for example, type US Army, US Navy, United States Marine Corps, United States Air Force, US Coast Guard). The logo for service branch will appear on your edited profile.
4. Add your title, location, and the time period you served.
5. Use the **Description** field to add more information about your role, responsibilities, and skills used during your service.

TO CONFIRM YOUR EMAIL ADDRESS:

1. Move your cursor over your photo in the top right of your homepage and select **Privacy & Settings**.
2. Select the **Account** tab at the top of the page.
3. Under the **Basics** section, click **Change** next to **Email addresses**.
4. Click **Add email address** and enter the email address you want to add to your LinkedIn account.
5. Click the **Send verification** button.
 - a. You'll have to enter your LinkedIn account password for the verification to be sent.
6. Click **Resend verification**.
 - a. This will trigger a "Verification sent" message.

Notes:

1. If a confirmation link isn't sent to that email address within 2 hours, make sure you're able to [receive LinkedIn emails](#).
2. This offer is available to U.S. veterans with military experience listed on their LinkedIn profile, and is not transferable to friends or family members. Other restrictions may apply.
3. It may take 5-7 business days for the upgrade to process. For advice on how vets can use LinkedIn to find jobs, check out our [Veterans page](#).
